The newly built apartments and villas are being built in a luxury residential project in the easternmost part of the island of Mallorca, in the municipality of Cala Ratjada and in a unique setting, surrounded by beautiful coves with turquoise waters and just 600 meters from the port of Cala Ratjada. The condominium has different types of houses to adapt to your needs: 3 bedroom, 3 bathroom semi-detached, 3 bedroom, 4 bathroom semi-detached with basement and 2 bedroom, 2 bathroom apartments. In addition, the complex will have incredible common areas with a swimming pool, jacuzzis and relaxation areas. All houses have a parking space and pre-installation for an electric vehicle...(Ask for More Details!)
